

An annual DIA event, Hinamatsuri scheduled in March, 2022, is cancelled due to the situation of COVID-19.

This will be the second cancellation after that of 2021.

We are sorry for the lost of lives and damages to the society. We truly wish people and society will be healed sooner.

And we hope 2023 will be a comeback year of Hinamatsuri to the venue of DIA with a lot of fun programs. So please stay safe and healthy. See you then!!
